INDEPENDENT AUDITOR'S REPORT

Board of Directors
Centro Hispano

Opinion

We have audited the accompanying financial statements of Centro Hispano (a nonprofit organization), which comprise the statements of financial position as of June 30, 2024 and 2023, the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Centro Hispano as of June 30, 2024 and 2023 and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Centro Hispano and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Centro Hispano's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is

higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Centro Hispano's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Centro Hispano's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

CENTRO HISPANO

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of Centro Hispano (the Organization) have been prepared on the accrual basis of accounting. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Reporting Entity

The Organization was incorporated on May 2, 2001 in the state of Utah as a nonprofit corporation to empower Hispanics with equal access to the information and resources they need in order to strengthen individuals, families, and communities through education and skill-building activities.

Revenue Recognition

The Organization recognizes grant revenue when qualifying grant expenses have been incurred and all other grant requirements have been met.

Financial Statement Presentation

The Organization reports information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the Organization’s management and board of directors.

Net assets with donor restrictions – Net assets subject to stipulations imposed by donors and grantors.

Donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as contributions without donor restrictions.

Tax Status

The Organization is exempt from income tax under Section 501(a) of the Internal Revenue Code (except on net income derived from unrelated business activities) and is classified as a Section 501(c)(3) public charity. Also, the Organization is not subject to state income taxes.

Allocation of Expenses

Directly identifiable expenses are charged to programs and support services and indirect costs are allocated based on personnel costs. Management and general expenses include those expenses that are not directly identifiable with any specific function, but provide overall support and direction of the Organization.

CENTRO HISPANO
NOTES TO THE FINANCIAL STATEMENTS

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and support, and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The Organization has evaluated subsequent events through October 10, 2024, the date the financial statements were available to be issued. Events occurring after that date have not been evaluated to determine whether a change in the financial statements would be required.

NOTE 2 – AVAILABILITY AND LIQUIDITY

The following represents the Organization’s financial assets at June 30:

	<u>2024</u>	<u>2023</u>
Financial assets at year end:		
Cash	\$ 485,446	\$ 144,423
Grants receivable	<u>211,684</u>	<u>193,022</u>
Total financial assets	697,130	337,445
Less amounts not available to be used within one year:		
Net assets with donor restrictions	<u>421,278</u>	<u>-</u>
Financial assets available to meet general expenditures over the next twelve months	<u>\$ 275,852</u>	<u>\$ 337,445</u>

The Organization’s goal is generally to maintain financial assets to meet 3 months of operating expenses (approximately \$215,000). Operating expenses are defined by the Organization as total expenses less grants and awards.

NOTE 3 – CONCENTRATIONS

A majority of the Organization’s revenue is from federal and state grants. Continued future funding from federal and state grants is contingent on the future governmental policy of grantors.

NOTE 4 – LEASE

The Organization entered into a non-cancellable lease agreement for office space. The lease required monthly payments of \$1,000 and expired September 2021. Total lease payments on this lease were \$12,000 for each of the years ended June 30, 2024 and 2023. The Organization has continued to occupy this space since the lease’s expiration, paying the same amount on a month-to-month basis.
